NOTICE OF PUBLIC HEARING ON
PROPOSED AMENDMENT AND
ADOPTION

TO: All Concerned Persons

1. On April 3, 2009, at 9:00 a.m., a public hearing will be held in room B-07, 301 South Park Avenue, Helena, Montana to consider the proposed amendment and adoption of the above-stated rules.

2. The Department of Labor and Industry (department) will make reasonable accommodations for persons with disabilities who wish to participate in this public hearing or need an alternative accessible format of this notice. If you require an accommodation, contact the Board of Private Alternative Adolescent Residential or Outdoor Programs (board) no later than 5:00 p.m., March 27, 2009, to advise us of the nature of the accommodation that you need. Please contact Cyndi Breen, Board of Private Alternative Adolescent Residential or Outdoor Programs, 301 South Park Avenue, P.O. Box 200513, Helena, Montana 59620-0513; telephone (406) 841-2392; Montana Relay 1 (800) 253-4091; TDD (406) 444-2978; facsimile (406) 841-2305; e-mail dlibsdpap@mt.gov.

3. GENERAL STATEMENT OF REASONABLE NECESSITY: The 2005 Montana Legislature enacted House Bill 628 which established a board to examine the benefit of licensing private alternative adolescent residential or outdoor programs by gathering data via the registration process. The board was required to report its findings, recommendations, and proposed legislation, if any, to the economic affairs interim committee by September 15, 2006.

Following the institution of the registration process under 37-48-103, MCA, and submission of the board's report to the interim committee, the 2007 Montana Legislature enacted Chapter 178, Laws of 2007 (House Bill 769), an act requiring mandatory registration and licensure of alternative adolescent residential or outdoor programs and directing the board to adopt rules establishing minimum program criteria to ensure the health and safety of program participants. The bill was signed by the Governor and became effective on April 10, 2007.

The board determined it is reasonable and necessary to amend certain rules and adopt new rules to establish the licensing and regulation of private alternative adolescent residential or outdoor programs and further implement the 2007 legislation. Where additional specific bases for a proposed action exist, the board will identify those reasons immediately following that rule.

4. The rules proposed to be amended provide as follows, stricken matter interlined, new matter underlined:

7. An electronic copy of this Notice of Public Hearing is available through the department and board site on the World Wide Web at www.paarp.mt.gov. The department strives to make the electronic copy of this Notice conform to the official version of the Notice, as printed in the Montana Administrative Register, but advises all concerned persons that in the event of a discrepancy between the official printed text of the Notice and the electronic version of the Notice, only the official printed text will be considered. In addition, although the department strives to keep its web site accessible at all times, concerned persons should be aware that the web site may be unavailable during some periods, due to system maintenance or technical problems, and that technical difficulties in accessing or posting to the e-mail address do not excuse late submission of comments.

Persons who wish to have their name added to the list shall make a written request that includes the name, e-mail, and mailing address of the person to receive notices and specifies the person wishes to receive notices regarding all board administrative rulemaking proceedings or other administrative proceedings. The request must indicate whether e-mail or standard mail is preferred. Such written request may be sent or delivered to the Board of Private Alternative Adolescent Residential or Outdoor Programs, 301 South Park Avenue, P.O.
