CONTINUING EDUCATION ATTEST STATEMENT

You are required to obtain 20 hours of continuing education (CE) taken within the 24 months prior to November 1, of the EVEN NUMBERED YEARS in order to renew your license. Programs shall be of a professional veterinary nature to qualify, with the number of practice management hours not to exceed 25% of the total required hours. The Board will be conducting a random audit of licensees during the renewal cycle to ensure compliance. If you are among those selected, you will be notified after November 1 to submit documentation that you have completed the requirement. Any CE non-compliance determined by the audit will be handled by the Board as a disciplinary matter.

Veterinarians renewing their license for the FIRST time are exempt from the CE requirement but must complete the renewal form and pay the renewal fee. Licensees licensed less than two full calendar years but more than one full calendar year on their first CE reporting date shall be required to obtain 10 hours of continuing education.

I have completed the required hours of continuing education for this even-numbered year.

I have not completed my continuing education. I have enclosed the renewal and late penalty fees for a total of \$290.00 and am requesting a 90-day CE grace period.

I do not need continuing education, as this is my FIRST license renewal.
